

Northwest Highway and Preston Road Area Plan

Come Share Your Thoughts and Ideas About Our Neighborhood's Future

ZONE 3

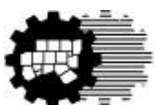

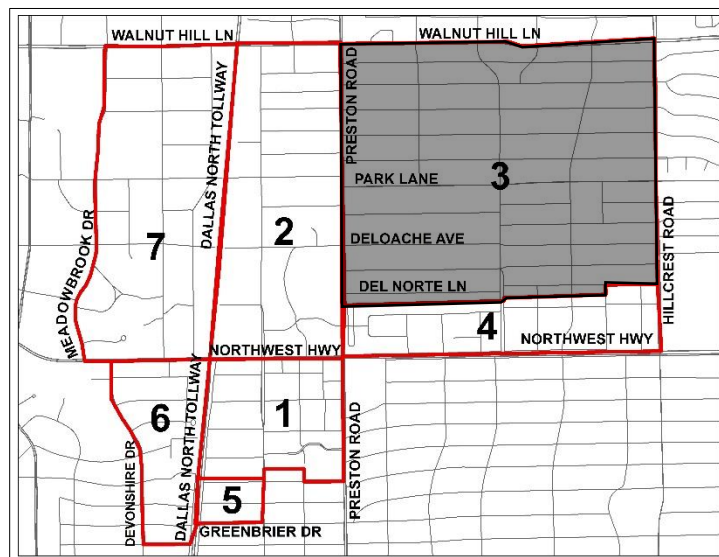

The City of Dallas and the North Central Texas Council of Governments are studying the area surrounding Northwest Highway and Preston Road to develop strategies for resolving traffic issues, guiding development, maintaining safety, and creating a sense of place. It is very important that the vision established for the area reflect the needs and desires identified by those of us who live, work, play or shop in the area.

There is a stakeholder interview taking place for **Zone 3**:

When: Tuesday, September 29, 2015, 6:00 PM – 7:30 PM

**Where: Walnut Hill Recreation Center- Ballroom
10011 Midway Rd Dallas, TX 75229**

Please plan to join us and add your thoughts and ideas to the discussion about your vision for the future of our neighborhood.
